

THE GEORGIA SCHOOL OF ORTHODONTICS

Where Excellence

meets patient priority.

Our Mission at the Georgia School of Orthodontics is to provide affordable care to all ages and demographics while offering the best education for our graduate orthodontic residents.

The Georgia School of Orthodontics has Initial Accreditation from the Commission on Dental Accreditation.

The program in orthodontics and dentofacial orthopedics is accredited by the Commission on Dental Accreditation and has been granted the accreditation status of "initial accreditation." The Commission is a specialized accrediting body recognized by the United States Department of Education.

The Commission on Dental Accreditation can be contacted at (312) 440-4653 or at 211 East Chicago Avenue, Chicago, IL 60611.

The Commission's web address is <http://www.ada.org/en/coda>.

Hello Atlanta.

You've got something
to smile about.

At GSO we deliver on the promise of **quality and affordability.**

How? What's the catch?

There is no catch.

Handpicked, licensed dentists practice in our **state-of-the-art** clinic under the supervision of our phenomenal faculty.

That's right.

Our clinic is supervised by our **Board Certified** Program Director. Our faculty has hundreds of years' worth of experience and works with our cutting-edge technology.

Now that's something to smile about.

We're **focusing on the future** of children and families in the greater Atlanta area.

Pictured below are the winners of our inaugural **Gift of A Smile** program.
They are receiving complete treatment from our institution, free of charge.

Giving back to the underserved community is the most important part of our mission.
We're actively participating in community outreach events and providing braces and orthodontic
services for an average of
40% less than local private practices.*

The Georgia School of Orthodontics believes everyone deserves to **'love. their. smile.'**

The image features a light-colored wood grain background. A dark blue horizontal band runs across the middle of the image. Centered within this band is the text "Smiling is the best medicine." in a white, serif font.

Smiling is
the best medicine.

Pramod Sinha, DDS, MS

You're only
as good as
the company
you keep.

Here at GSO our doctors are supported by passionate assistants and technicians.

“A Leader
leads from the front,

The background of the image is a dark blue, tufted leather surface. The tufting pattern consists of a grid of diamond shapes, each with a central button or tuft. The leather has a fine, pebbled texture. A horizontal band of a slightly darker blue color runs across the middle of the image, serving as a background for the text.

by the Power of
Example.”
